### OUR STORY

### THE PROCESS

## SPECIAL OFFER

Tupevi Ltd. is a company with many years of experience in the growing of essential oil crops. The company has set a name for itself as a leader manufacturer of lavender seedlings in the region. The plants are located in the Valley of Roses - the area of Kazanlak. Tupevi Ltd. is a company with traditions. Initially founded by Mr. Tupev – a proven expert in the field of growing crops who devoted more than 27 years of his life in the family business, taking care of the lavender plants. He becomes fascinated by the plants in the early 80's when he was hired as a manager of the hothouse and experimental fields at the Institute of the Rose and Essential Oil Crops in Kazanlak (IREOC). During his time the Institute achieves a record number of produce, that has never been beaten since.

Mr. Tupev is also amongst the team of experts that created new sorts of lavender crops. In Bulgaria over 50 000 acres are sowed with essential oil crops.
